Greeting Card Storage Box: Metal Edge, Clamshell Design

The Lineco Greeting Card Storage Box is the best way to preserve the special words and greetings sent by family and friends. Made with acid-free and lignin-free materials using metal edge corners to prevent crushing. The unique faux leather cover material has the look and feel of real leather, and the holly embossing adds a very distinctive accent. The clamshell design with "thumb-cut" makes opening and closing easy, and inside there is a divider providing space for two stacks of cards up to 6" x 8.5" size.
