

WILD ACCORDION

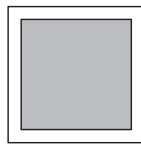

Easy to make! Requires only a glue stick, pencil and scissors.

THIS KIT CONTAINS:

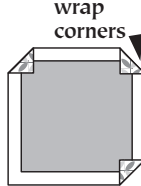

MAKING THE COVER:

1. Apply glue to the back of a decorative paper. Center and glue bookboard onto the paper.

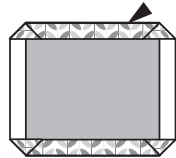

2. Reapply glue to the paper corners and tightly wrap the corners around the bookboard.

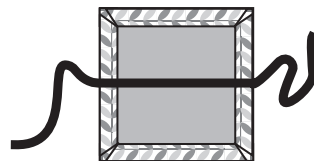

3. Reapply glue to the paper edges. Starting with two opposite edges, wrap the paper edges around the book.

wrap opposite edges

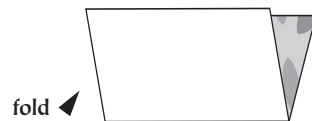

4. Repeat the above for the second cover.

5. Center and glue ribbon onto the exposed bookboard side of one of the covers.

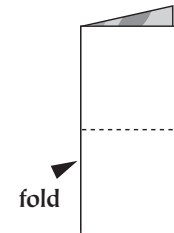

MAKING THE PAGES:

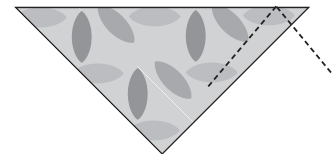

6. Fold one of the pages in half and unfold.

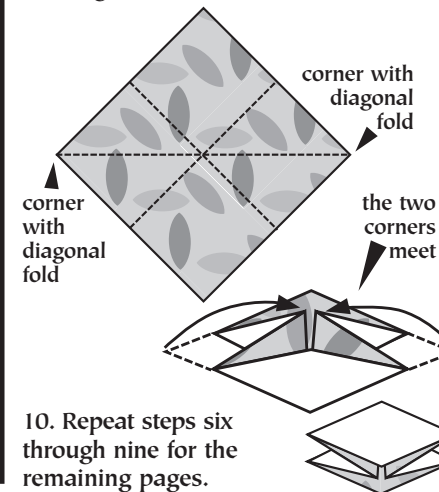

7. In the opposite direction, fold the page in half again and unfold.

8. Turn the page over and fold in half diagonally.

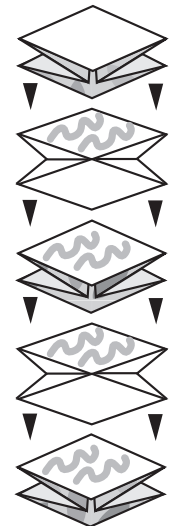

9. Unfold the page and bring the opposite corners, with the diagonal fold, together.

10. Repeat steps six through nine for the remaining pages.

GLUING THE PAGES TOGETHER:

11. Making sure to cover the entire surface, apply glue to the outside of one of the folded pages.

12. Place and glue a second folded page on top of the glued page as shown.

13. Repeat steps eleven and twelve until all the pages are glued together.

ASSEMBLING THE BOOK:

14. Fold and close up all the pages together. Making sure to cover the entire surface, apply glue to an outside, exposed page.

15. Center and glue the folded pages onto the cover with the attached ribbon.

16. Repeat steps fourteen and fifteen for the remaining pages.
